CV

Małgorzata
STASZEWSKA
FRONT-END DVELOPER

01 About

A committed and creative recent graduate in web development with an ambitious drive. A level head for problem solving combined with a passion for innovative and fresh ideas currently looking for a front-end web developer opportunity that will allow to work alongside an expert team of developers, with whom be able to create digital magic and elevate user experience to the next level.

Technically competent and industry aware means that each potential project will be undertaken with the most up to date and relevant programming foundations available.
